IMPORTANT HEALTH WARNING: PHOTSENSITIVE SEIZURES

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people with no history of seizures or epilepsy may have an undiagnosed condition that can cause “photosensitive epileptic seizures” while watching video games. Symptoms can include light-headedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, momentary loss of awareness, and loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects. **Immediately stop playing and consult a doctor if you experience any of these symptoms.** Parents, watch for or ask children about these symptoms—children and teenagers are more likely to experience these seizures. The risk may be reduced by being farther from the screen; using a smaller screen; playing in a well-lit room, and not playing when drowsy or fatigued. If you or any relatives have a history of seizures or epilepsy, consult a doctor before playing.

INTRODUCTION

In LEGO® The Lord of the Rings™, the Hobbit Frodo is entrusted with a dangerous task: to destroy an ancient magical ring that threatens all that is good. Join him and his friends as they are forced to leave their peaceful homes, in search of guidance and aid. But the Ring wants to be found...and the road to Mount Doom, the only place where it can be destroyed, is riddled with Orcs... and fouler things.

CONTROLS

Xbox 360 Controller

CHARACTER SWAP

Different characters have different abilities. To switch characters, tap **Y** or press and hold **Y** to reveal the Character Wheel. In Free Play, if you press and hold **Y**, you can select any character from the character grid.

COLLECTIBLES

LEGO STUDS

LEGO Studs are scattered throughout the game. Collect them and spend them later in various locations. Collect enough in a level and you will achieve True Adventurer status.

MINI KITS

There are 10 Mini Kits in each level. Locate them all to discover an ancient artifact of Middle-earth.

MITHRIL

Mithril Bricks will be hidden in hard to reach areas throughout Middle-earth, mostly requiring the acquisition of Free Play characters in order to access them. LEGO Mithril Bricks can be turned into Mithril armor and weapons at the Elven blacksmith. These can then be equipped via the backpack, conferring additional health and damage bonuses.

Additional Mithril Quest Items can also be forged that convey additional “Extra” powers. The “Extras” exist in all LEGO games, and can be activated at any time via the Pause Menu.

FETCH QUESTS

The landscape is populated with characters who can provide you with side-quests. Quest Items require you to collect an item and return to the character who requested it. They in turn will present you with a reward.

In the event any litigation is brought by either party in connection with this Agreement, the prevailing party in such litigation shall be entitled to recover from the other party all the costs, attorneys' fees and other expenses incurred by such prevailing party in the litigation.
